

President's Comments:

Learning, Living, and Sharing Lionism

We have come full circle, it is June and time for the new board to take the lead. As I reflect back on this past year I applaud you for helping me to achieve my goals. Expanding our membership was number one and we have welcomed several new members. Our members have increased participation in our fundraising efforts which allowed our Lions to give back to our community in these hard financial times. Voices were heard recommending an evening meeting time to accommodate the members who cannot attend the daytime time slot. I think only after a year we have finally gotten it right. Thank you for making all this possible.

Wednesday was Honors Night at the West Chicago Community High School; our Lions Club presented a \$1000 West Chicago Lions Club Scholarship to Megan Gossen and a West Chicago Lions Club Athletic Scholar Award to Brian Bennett.

I would like to thank everyone for your support at Cantigny on Saturday May 28, Armed Forces Day. Seeing the Gold Vests in the crowd was outstanding.

Let's continue to stay focused as we look forward to an even better year than last year.

It has been an honor and pleasure to serve as your president of the West Chicago Lions Club. Thank you for this opportunity.
